

Martha Fields-Cypress

San Diego, CA | 760-579-3057 | maplantz89@gmail.com | linkedin.com/in/martha-fields-cypress

PROFESSIONAL SUMMARY

Detail-oriented professional with a quantitative background in Mathematics and a strong foundation in data validation, compliance-ready recordkeeping, and analytical reporting. Proven ability to manage sensitive information with accuracy and discretion across fast-paced, cross-functional environments. Transferable skills in timekeeping oversight, data reconciliation, and regulatory compliance position me to contribute immediately in a payroll support role. Proficient in Microsoft Excel and Google Workspace; actively expanding payroll systems knowledge including Workday. Committed to accuracy, confidentiality, and process improvement in every task.

CORE SKILLS

Data Accuracy & Validation	Data Analysis	Analytical & Quantitative Reporting
Confidential Records Management	Error Detection	Cross-Functional Collaboration
Documentation	Logical Problem Solving	Organization & Prioritization
Attendance & Record Tracking	Quantitative Reasoning	Process Improvement
Regulatory & Policy Compliance	Microsoft Excel & Google Workspace	

PROFESSIONAL EXPERIENCE

Junior Frontend Developer | ICU Medical (Remote)

March 2020 – March 2021

- Maintained audit-ready documentation of system updates and change logs, ensuring full data traceability and compliance readiness across internal platforms
- Validated and reconciled large datasets to identify and resolve discrepancies, preserving data accuracy and consistency across systems
- Collaborated cross-functionally with remote teams to support data integrity, meet project deadlines, and facilitate timely reporting
- Supported data governance by tracking system changes, flagging inconsistencies, and escalating issues for timely resolution
- Contributed to process improvement initiatives that enhanced the accuracy, efficiency, and reliability of data reporting workflows

Math Teacher | Escondido Union High School District

August 2016 – July 2019

- Managed and reconciled performance data for 150+ students, ensuring accuracy and consistency in grading, reporting, and record submissions across quarterly cycles
- Maintained confidential student records in strict compliance with state and district regulations, mirroring the sensitivity and confidentiality standards required in payroll operations
- Tracked and audited attendance and academic data using Microsoft Excel and Google Workspace to support administrative reporting and compliance reviews
- Developed structured workflows for verifying, auditing, and submitting student data — building habits of accuracy, timeliness, and process discipline directly applicable to payroll
- Communicated proactively with administrators and cross-functional staff to resolve data discrepancies and drive continuous process improvements

EDUCATION

Master of Education

California State University, San Marcos | June 2019

Bachelor of Science, Mathematics

California State University, San Marcos | Dec 2015

Payroll Analyst Portfolio – Cypress Manufacturing 2026

Built seven scenario-based payroll investigations mirroring analyst workflows.
